HIKER: *Dr. Will Walls*

DESTINATION: *Kingdom work*

NOTES: Many years ago, Dr. Walls was a 6th grader starting out at Ridgeview Christian Church. He notes Ridgeview "impacted me in so many ways. It's truly unbelievable. The relationships I formed there were so important in forming my early Christian life. They molded me to serve wherever God called me." That call came soon and Dr. Walls began his full time mission work in 1961, serving in Canada. "All along the way Ridgeview stood behind me, from that first work in Canada through today." Bessie Swinfard, who serves on the missions board, notes "Ridgeview has a rich history of homegrown missionaries." She recalls numerous Ridgeview youth who have grown up, gone into mission fields and continue to serve faithfully to this day. She is sure that an improved facility would let us reach more youth. Only God knows how far their reach could extend.
